Men's Hot Rod IF 08

The Block The Foundation

Men, what's up? If we are going to have a blown engine that is going to stand the test of time, that is going to perform at its highest output, and do this consistently without damage, we are going to need a solid foundation. We are going to need a block and crank that will handle all the boost we will be running. This is the foundation of all that horsepower. If you don't have a solid foundation, you can have the biggest and best blower and set of Garbs that they make on top of that engine, but it will come to nothing without a solid foundation.

Many of us in this life are building our lives, even in this very night, on a foundation that will come apart beneath *us* soon, if it hasn't already. You are going to need a foundation that will be able to handle all of the boost pressure that **WILL** come upon you in this life. You can build your life with all the latest and greatest things that this life has to offer and it will all come to nothing without having built it on a solid foundation.

➤ ***The Cornerblock***

Isaiah 28:16, Matthew 21:42, Luke 20:17, John 14:6

Jesus is **the Chief Cornerstone!**

➤ ***Using the Proper Foundation***

1 Corinthians 3:10-11, Luke 6:46-49, 1 Peter 2:6-8, Hebrews 6:1

James 1:22, Psalm 127:1, Proverbs 10:25

For no other foundation can anyone lay than that which is laid, which is Jesus Christ.
